

Christmas Card Design Landscape - Front & Back

Christmas Cards - 210x99mm Landscape Folded Design
Drawings below are not to scale

Full Bleed Zone (starting Card size W214mm x H103mm).

2 mm from left, right, top and bottom side of the DL Christmas card size.

*Make sure to extend the background images/finished artwork all the way to the edge of this black (full bleed) outline for best results.

Trim Size Zone (finished Card size W210mm x H99mm).

This is the actual final cut size of the DL Christmas Card design.

Safe Zone (2mm inside the trim size Zone W206 x W95mm).

Please be sure to keep all text within the safe zone margin. Important text or images beyond the blue border area may be trimmed/cut off.

Inside 1 and 2

Full Bleed Zone (starting Card size W214mm x H103mm).

2 mm from left, right, top and bottom side of the DL Christmas card size.

*Make sure to extend the background images/finished artwork all the way to the edge of this black (full bleed) outline for best results.

Trim Size Zone (finished Card size W210mm x H99mm).

This is the actual final cut size of the Christmas Card design, which when printed, both Inside 1 & 2 will be together and are then folded in half on the centre crease to W210 x H99mm.

Safe Zone (2mm inside the trim size Zone W206 x W95mm).

Please be sure to keep all text within the safe zone margin. Important text or images beyond the blue border area may be trimmed/cut off.

Please Note - The coloured lines are for reference only. Save Christmas Card without blue, purple or black lines on your finished Artwork, and use the full bleed dimensions for best results.
