

Business Cards - Front & Back

Full Bleed Zone (starting BC size W94 x H59mm).

2 mm from left, right, top and bottom side of the Business card. Make sure to extend the background images/Finished artwork all the way to the edge of this black (full bleed) outline for best results.

Trim Size Zone (finished BC size W90 x H55mm).

This is the actual final cut size of the Business Card design.

Safe Zone (4mm inside the trim size Zone).

Please be sure to keep all text within the safe zone margin. Important text or images beyond the blue border area may be trimmed/cut off.
